- Be patient
- Unless otherwise directed, wait for the truck to pull over before passing

##### **Don't:**

- Pass, unless the warning signs direct you to do so
- Cross the centreline

#### **If your vehicle is splattered with paint:**

- Go to a car wash as soon as possible
- If the paint does not wash off, spray the affected area with WD-40 and allow it to dry for 2 hours, then rewash the vehicle
- If the paint remains, consider submitting a claim to your insurer
